

DHANESHWAR KUMAR

+91 70177 77155 | dhannesh@gmail.com | Kanpur, Uttar Pradesh

PROFESSIONAL SUMMARY

Results-driven Computer Science educator and technologist with 11+ years of experience spanning academia, IT infrastructure management, and software development. Proven record in full-stack development (MEAN Stack, PHP, Android), AI/ML research, institutional ERP administration, and student mentorship for national-level hackathons. Pursuing PhD in CSE with active research in Blockchain and Machine Learning. Google Certified, IBM Big Data & Cloud Trainer, and Infosys Faculty Gold Partner.

EDUCATION

PhD in Computer Science & Engineering — Bennett University, Greater Noida, UP | 2020 – Present

M.Tech in Computer Science & Engineering — Dr. A.P.J. Abdul Kalam Technical University | 2017 | 1st Division – 63.26%

B.Tech in Computer Science & Engineering — Magadh University, Bihar | 2008 | 1st Division – 74.3%

PROFESSIONAL EXPERIENCE

Assistant Professor – CSE Department

Pranveer Singh Institute of Technology, Kanpur | Jan 2020 – Present

- Delivered lectures on Data Structures and Operating Systems to undergraduate students.
- Conducted hands-on training sessions in Python and C programming and facilitated hackathon discussions.
- Served as Subject Coordinator for Data Structures and Timetable Coordinator for the department.
- Core Team Member for organizing college-level hackathons.

Head of Department – IT Infrastructure

College of Engineering Roorkee (COER) | Jan 2017 – Jan 2020

- Developed and maintained the college website using PHP MVC architecture with Bootstrap 4 and MySQL.
- Administered college internal ERP system and managed institutional IT infrastructure.
- Built and published COER Updates Android app for event and notice distribution.
- Developed an admission registration portal with integrated PayTm API for online fee submission.
- Conducted placement-readiness technical classes for final-year students.
- Delivered MEAN Stack value-added program; mentored teams for SIH-2019 (Chennai) and SIH-2020.

Website Administrator & Assistant Professor – IT

College of Engineering Roorkee (COER) | Jan 2013 – Jan 2017

- Maintained college website and served as SPOC for Infosys Campus Connect Program.
- Delivered classes in Android, PHP, Python, C, and Data Structures.
- Acted as SPOC for Spoken Tutorial (IIT Bombay); gained hands-on experience with Amazon Web Services.

Assistant Professor – CSE Department

GRD IMT, Dehradun | Aug 2011 – Jan 2013

- Taught C, Java, and .NET Technologies; conducted technical sessions for placement preparation.
- Organized campus-level coding competitions and summer training programs in PHP and Android.

Senior Trainer

APTECH, Rajpur Road, Dehradun | Feb 2011 – Aug 2011

- Trained students in .NET, Advanced Java, PHP, and Android development.
- Guided students in software maintenance and web development projects.

KEY PROJECTS

- **Tech Utility App** – Android app integrating electronics service centers; selected in Top 10 at SIH Grand Finale 2019, VelTech Chennai. Stack: Android Studio, PHP REST API, MySQL, Google WorkManager.
- **OutPass Manager App** – Automated hostel outpass management system for COER with warden approval workflow. Stack: Android Studio, PHP REST API, MySQL.
- **COER Website** – Responsive college website with admin panel, notices/events management, student attendance, and PayTm-integrated admission portal.
- **Grievance Cell Portal** – AICTE-compliant grievance management portal with admin reporting. Stack: PHP, MySQL.
- **Robotics Trade, IJ-Tejas, SIJEST** – Freelance web development projects for client organizations.

TECHNICAL SKILLS

- **Frontend:** HTML5, CSS3, ReactJS, Angular, Bootstrap
- **Backend:** PHP, Python, Java, Node.js, MEAN Stack, .NET
- **Mobile:** Android (Android Studio), Flutter
- **Databases:** MySQL, MS Access
- **Programming:** C/C++, Java (OOP), Python, C#
- **Cloud & Tools:** Amazon Web Services (AWS), IBM Big Data & Cloud, ERP Administration
- **AI/ML:** Machine Learning, Neural Networks, Image Processing, OpenCV, Scilab

CERTIFICATIONS & ACHIEVEMENTS

- Google Certified – Digital Unlocked Course

- IBM Certified Trainer – Big Data & Cloud Computing
- Infosys Faculty Gold Partner – Awarded twice consecutively
- Infosys InfyTQ – Foundation Course Certificate
- Automation Anywhere – Certified Developer
- ICT Kanpur – Certificates in Python, Node.js, Bootstrap
- Udemy – Certificates in Python, Android, Java, HTML, JavaScript
- HackerRank – 5-Star Programmer in Problem Solving; Certified in Java, Python, MySQL
- Faculty Motivational Award – COER (3 times) for achieving 100% student results
- SIH 2018 Software Edition – Mentor
- Patents: Indian Patent (IoT Fire Monitoring System); Austrian Patent (Blockchain Healthcare)

RESEARCH & PUBLICATIONS

Research Areas: Machine Learning, Blockchain in Healthcare, Android App Memory Leakage Detection, Big Data & Cloud Computing
13 research publications in IEEE conferences, international journals (IJARCSSE), and national seminars on topics including Neural Networks, Image Processing, IoT, Congestion Control, and Design Structure Matrix.
