

DHANESHWAR KUMAR

+91 7017777155

dhannesh@gmail.com

Kanpur, Uttar Pradesh

CAREER PROFILE

To strive for academic excellence and impart quality education with emphasis on Computer Science & Engineering. To inculcate the habit of executing effective implementation and rectification of Computer Engineering problems in the minds of all concerned, which they can apply in their professional life in future.

EXPERIENCES (11 Years)

Assistant Professor (CSE Department)

Pranveer Singh Institute of Technology

28 January 2020

- Handling the task of teaching concepts like Data Structure and Operating System
- Handling the task of training with Python, C and hackathon discussion
- Subject Coordinator for Data Structure
- Timetable Coordinator
- Core Team Member of Hackathon

HOD IT Infrastructure

College of Engineering Roorkee (COER)

16, January 2017

- Development of College website and maintenance
- Handling College Internal ERP
- Developed COER Official Android App named COER Updates
- Developed a portal for admission registration with online fee submission
- Taking technical classes of final year student for the placement
- Taking Value Added Program of MEAN STACK
- Mentored students for SIH-2019 at Chennai.
- Mentoring and preparing students for Smart India Hackathon (SIH-2020)

Website Administrator

College of Engineering Roorkee (COER)

12, January 2015 to 15 January 2017

- College Website Maintenance
- SPOC of Infosys Campus Connect Program
- Taking Classes of Android, PHP, Python
- SPOC of Spoken Tutorial IIT Bombay
- Hands on Experience on Amazon Web Services

Assistant Professor (IT Department)

College of Engineering Roorkee (COER)

28, January 2013 to 11 January 2015

- Handled the task of teaching concepts like C, Data structure,

EDUCATION

PHD in CSE

Bennett University, Greater Noida, UP

2020, Pursuing

Master in Technology (CSE)

Dr. A.P.J Abdul Kalam Technical University

2017, 1st Div., 63.26 %

B.Tech. in Computer Science Engg

Magadh University, Bihar

2008, 1st Div. 74.3 %

Intermediate (I.Sc.)

Bihar Board

2001, 1st Div. 76.2 %

Board Exam 10th

Bihar Board

1999, 1st Div. 66.2 %

ACHIEVEMENTS

Google Certified Digital Unlocked Course

Awarded Continuous two times Infosys Faculty Gold Partner

Awarded 3 Times with Faculty Motivational by COER for Securing 100% Result

Certified IBM Big Data and Cloud Computing Trainer

Udemy Certificates in Python, Android, Java, HTML, JS

Smart India Hackathon (Software Edition 2018) Mentor

ICT Kanpur Certificate in Python, NodeJs, Bootstrap 5 start Programmer at Hackerrank in Problem Solving

Automation anywhere certified developer

CORE JAVA

- Organized summer Training Program in PHP, Android NetBeans within Campus
- Organized Coding Competition in College Level

Assistant Professor (CSE Department)

GRD IMT, Dehradun

28, August 2011 to 24 January 2013

- Handled the task of teaching concepts like C, Java, Dot Net Technologies
- Technical Class for final year student for their future enhancement and placement
- Responsible for providing guidelines to students to help them complete course projects
- Presented various types of learning materials in the form of audio, books, and visual trainings

Senior Trainer

APTECH Rajpur Road, Dehradun

February 2011 to 20 August 2011

- Responsible for training of students, Teacher in new technology like Dot Net, Advance Java, PHP, Android
- Instructed students in software maintenance and repair
- Responsible for guiding students in creating websites and completing assigned projects

FREELANCE PROJECTS

- Robotics Trade (<http://roboticstrade.com>)
- Tejas (<http://ij-tejas.com>)
- SIJEST (<http://sijest.com>)
- Website Hosting provider

TECHNOLOGIES

- Frontend
HTML 5, CSS 3, ReactJS, Angular
- Backend
PHP, Python, JAVA,
- Databases
MySQL, Ms Access
- Programming Language
C/C++ with Data Structure, OOPS using Java, Python, C#
- Frameworks
Bootstrap, Flutter, MEAN

LANGUAGES

HINDI

NATIVE

ENGLISH

ADVANCED

STRENGTH

- FOCUS
- CONSISTENCY
- TEAMWORK SKILLS
- PUNCTUALITY

HOBBIES

- Learning new programming language
- Apply knowledge to real life application
- Listening Love Songs
- Improve Rank on hackerrank.com

PERSONAL DETAILS

Date of Birth : 16th Jan 1984

Marital Status: Married

Father Name : Shree Kapil Deo Prasad

Mother Name: Smt. Sita Devi

Permanent Address : Manpur Shiv Charan Lane, Buniyad Gang, Gaya, Bihar - 823003

PROJECT/APP DETAILS

- **Tech Utility:** an app that integrate all service center, related to electronic gadgets. This app is selected in grand finale of **Smart India Hackathon 2019** Software Edition at Veltech Chennai. In result our app got selected in top 10 positions out of 33 innovative ideas.
 - **Tools Used:** Android Studio with REST api Written in PHP with MySQL.
 - The app uses latest Google Work Manager library to communicate with server as a background process.
- **OutPass Manager App:** This app is developed for COER College to automate the outpass for hostellers. They can apply for outpass by app and their warden will approve. The warden can also post any comment for particular students if he/she return late. Students can also show the history of outpass by their profile.
 - **Tools Used:** Latest android studio with Rest API written in PHP with MySQL
- **Lecture Notifier:** This app is developed for the COER College Students and Faculties members to remind about their upcoming lecture with lecture hall details.
- **COER Updates:** This app is also developed for the COER College to get all updated related to Events and Notices.
- **COER Website:** The website is built in latest PHP MVC architecture including MySQL as backend database. The website is fully responsive by bootstrap 4.0 framework. It also have admin section that are used to update notices, events or student attendance. A separate admission portal is also managed in this domain for the new admission registration with PayTm API for the payment.
- **Grievance Cell Portal:** the grievance cell is just developed as per requirement receive by AICTE. The portal is built with PHP and MySQL. It also having admin section by which user can generate various report as per suggestion received by AICTE.
- **IJ-Tejas:** This is website for official international journal of College of Engineering Roorkee.

RESEARCH AREA: Blockchain in Healthcare, Memory Leakage Detection of Android

RESEARCH DETAILS

Research Fields:

Machine Learning, Big Data & Cloud Computing, Android App Memory Leakage Research

Papers

1. **Kumar Dhaneshwar**, Scilab based Color Detection using Image Processing and OpenCV and Application in Real Field in: International Conference on Advances in Computing, Communication Control and Networking icacccn2018 organized by IEEE*
2. **Kumar Dhaneshwar**, REAL-TIME HANDWRITING RECOGNITION USING NEURAL NETWORK AND IMAGE PROCESSING, in: *Contemporary Research in Computing and Informatics (CRCI)* national conference NATCOM, SRMS College, Bareilly 2017
3. **Kumar Dhaneshwar**, REAL-TIME HANDWRITING RECOGNITION USING NEURAL NETWORK AND IMAGE PROCESSING, in: TEQIP-II 2ND INTERNATIONAL SYMPOSIUM ON IOT-SIU 2017 INTERNET OF THINGS: SMART INNOVATION AND USAGES (IOT-SIU 2017)
4. **Kumar Dhaneshwar**, Analysis of Congestion Control in Wired Network for Heterogeneous resources using Neural Network Technique in: National Conference on Impact of Rapid Advancements in Management, Science and Technology (IRAMST 2015) December 12-13, 2015.
5. **Kumar Dhaneshwar**, Congestion Control in Wireless Network for Homogeneous resources using
+91 70177 77155, 84395 16563, dhannesh@gmail.com

6. **Kumar Dhaneshwar**, Congestion Control in Wired Network for Heterogeneous resources using Neural Network in: International Journal of Advanced Research in Computer Science and Software Engineering, ISSN: 2277 128X Volume 3, Issue 5, May 2013.
7. **Kumar Dhaneshwar**, Congestion Control in Wireless Network for Heterogeneous Resources using Fuzzy Logic in: International Journal of Advanced Research in Computer Science and Software Engineering, ISSN: 2277 128X Volume 3, Issue 5, May 2013.
8. **Kumar Dhaneshwar**, Congestion Control in Wired Network for Heterogeneous resources using Neural Network in: International Journal of Advanced Research in Computer Science and Software Engineering, ISSN: 2277 128X Volume 3, Issue 5, May 2013.
9. **Kumar Dhaneshwar**, A Graphical Method to Reduce Time Complexity of Complex Projects Based on Design Structure Matrix in: National Conference at 6th Uttarakhand State Science and Technology Congress (USSTC), 2011, organized by UCOST (Uttarakhand Council of Science & Technology) Conference, Dehradun, Uttarakhand, 2011-12.
10. **Kumar Dhaneshwar**, An Analytical Method to Calculate Cost Based on Design Structure Matrix for Unplanned Tasks in: International Journal of Engineering Science & Humanities, ISSN 22503552 paper id Regd/HR/IJESH/2011/ISSN/105, Jan 2012.
11. **Kumar Dhaneshwar**, Comparison of Cost Function Methods to Calculate Cost for Unplanned Tasks Based on Design Structure Matrix in: Journal of information and operation management (Impact Value: ICV: 4.72) ISSN: 09767754 and EISSN : 09767762, Vol. 3, Issue 1, 2012, pp99102. SGRR International Conference, Feb 2012.
12. **Kumar Dhaneshwar**, Cost Effective Learning Method To Discover Malicious Attempts in Accessing a Dynamic Website Containing all Ecommerce Processing using Artificial Neural Network in: AICTE Sponsored National Seminar, "Management Education in 21st Century: The Experience of First Decade", page 125 on Feb 11, 2012
13. **Kumar Dhaneshwar**, An Analytical Method to Calculate Cost Based on Design Structure Matrix for Unplanned Tasks in: International Conference on Green Technology for Environment Rehabilitation, Feb, 11-13, 2012.

EXTRA CURRICULUM ACTIVITIES

- Member of editorial board TEJAS international journal issn no -2456-0472
- InfyTQ certificate in Foundation Course from Infosys
- Delivered Expert Lecture on "Hands on Python Programming" at G. B. Pant Institute of Engineering and Technology, Pauri Garhwal
- Indian Patent on "IOT Integrated Fire Monitoring System and Alerting System"
- Austrian Patent on "Blockchain Health Care Information Exchange using Blockchain Based Technology"
- Delivered Expert Lecture on "Introduction to React" at ABES Engineering College, Ghaziabad
- Hackerrank certificate in Java, Python, MySQL, Problem solving

Declaration

I hereby declare that the information mentioned above is correct to my knowledge and I bear the responsibility for any sort of inconvenience over the mentioned particulars.

Place: Roorkee

Dhaneshwar Kumar

DHANESHWAR KUMAR

Data Analyst | AI & ML Educator | Full-Stack Developer
+91 70177 77155 | dhannesh@gmail.com | Kanpur, Uttar Pradesh

PROFESSIONAL SUMMARY

Results-driven Data Analyst and AI/ML Educator with 11+ years of experience in computer science academia, IT infrastructure, and software development. Proficient in Python, SQL, data analysis, and data visualization. Demonstrated expertise in machine learning research (Neural Networks, Fuzzy Logic), big data concepts, and cloud computing. Adept at cleaning and validating datasets, building dashboards, and translating data insights into actionable recommendations. Passionate about bridging academic knowledge with industry-ready skills through training and mentoring.

CORE SKILLS

▸ SQL (MySQL, MS Access)	▸ Python (Pandas, NumPy, OpenCV)	▸ Data Analysis & Statistics
▸ Data Visualization	▸ Power BI / Tableau (Familiar)	▸ Microsoft Excel
▸ Machine Learning (Neural Networks)	▸ ETL Concepts / Big Data	▸ Cloud Computing (AWS)
▸ ReactJS / Angular / Bootstrap	▸ PHP / MEAN Stack / Flutter	▸ Android Development

PROFESSIONAL EXPERIENCE

Assistant Professor – CSE Department

Jan 2020 – Present

Pranveer Singh Institute of Technology, Kanpur

- Delivered lectures on Data Structures, Operating Systems, Python, and C; consistently achieved 100% pass results.
- Conducted hackathon training sessions and served as Subject Coordinator for Data Structures.
- Served as Timetable Coordinator and Core Team Member of the institutional Hackathon committee.
- Trained newly joined freshers on AI prompting concepts and generative AI workflows.

HOD – IT Infrastructure

Jan 2017 – Jan 2020

College of Engineering Roorkee (COER)

- Designed and maintained the college website using PHP MVC architecture and MySQL backend.
- Managed the College Internal ERP system and led development of the COER Android App (COER Updates).
- Built an online admission and fee payment portal integrating PayTm API for seamless transactions.
- Analyzed student and operational data to improve placement outcomes; conducted MEAN Stack Value Added Programs.
- Mentored student teams for Smart India Hackathon (SIH) 2019 (Chennai, Top 10 of 33 teams) and SIH 2020.

Website Administrator & Assistant Professor – IT Department

Jan 2013 – Jan 2017

College of Engineering Roorkee (COER)

- Maintained college website and managed AWS cloud infrastructure; served as SPOC for Infosys Campus Connect.
- Delivered training courses in Android, PHP, Python, and NodeJS to students and faculty.
- Served as SPOC for Spoken Tutorial Program, IIT Bombay; organized campus-level coding competitions.

Assistant Professor – CSE Department

Aug 2011 – Jan 2013

GRD IMT, Dehradun

- Taught C, Java, and .NET Technologies; organized summer training in PHP and Android development.

- Guided final-year students on placement preparation and industry-aligned capstone projects.

Senior Trainer

Feb 2011 – Aug 2011

APTECH, Rajpur Road, Dehradun

- Trained students in .NET, Advanced Java, PHP, and Android; guided website creation and project completion.

KEY PROJECTS

Tech Utility App (Smart India Hackathon 2019 – Top 10 Finalist)

- Developed an Android app integrating all electronics service centers; selected in SIH Grand Finale at Veltech Chennai, ranked in top 10 out of 33 teams.
- Stack: Android Studio, REST API (PHP), MySQL, Google Work Manager.

COER College Portal Ecosystem

- Built OutPass Manager App (Android + PHP REST API + MySQL) automating hostel outpass approval for wardens and students.
- Developed COER Website (PHP MVC, Bootstrap 4, MySQL) with admin panel, attendance, notices, and PayTm-integrated admission portal.
- Created Lecture Notifier and COER Updates apps for academic scheduling and institutional communication.

Freelance Web Projects

- Developed and deployed websites: RoboticsTrade.com, IJ-Tejas.com, SIJEST.com; provided web hosting solutions.

EDUCATION

Ph.D. in CSE (Pursuing)	Bennett University, Greater Noida	2020 – Present
M.Tech. in CSE	AKTU (Dr. APJ Abdul Kalam)	2017 63.26%
B.Tech. in CSE	Magadh University, Bihar	2008 74.3%

CERTIFICATIONS

▶ IBM Certified Big Data & Cloud Computing Trainer	▶ Google Certified Digital Unlocked Course
▶ Infosys InfyTQ – Foundation Course Certified	▶ Automation Anywhere Certified Developer
▶ Udemy: Python, Android, Java, HTML, JavaScript	▶ ICT Kanpur: Python, NodeJS, Bootstrap
▶ HackerRank: Java, Python, MySQL, Problem Solving (5★)	▶ Infosys Faculty Gold Partner (2x Consecutive)

RESEARCH & PUBLICATIONS

Research Areas: Machine Learning, Big Data & Cloud Computing, Blockchain in Healthcare, Android Memory Leakage Detection

- Scilab-based Color Detection using Image Processing and OpenCV — IEEE ICACCCN 2018
- Real-Time Handwriting Recognition using Neural Network & Image Processing — NATCOM 2017, IOT-SIU 2017
- Analysis of Congestion Control in Wired/Wireless Networks using Neural Network & Fuzzy Logic — Multiple IEEE/IJARCSEE publications (2013–2015)
- Cost-Effective Learning Method for Malicious Access Detection using ANN — AICTE National Seminar, 2012
- Indian Patent: IoT Integrated Fire Monitoring and Alerting System
- Austrian Patent: Blockchain Healthcare Information Exchange System

ACHIEVEMENTS & LEADERSHIP

- Awarded Faculty Motivational Award by COER — 3 times for achieving 100% student pass results.
- Infosys Faculty Gold Partner — awarded consecutively two times.
- Delivered Expert Lectures on Python Programming (GB Pant Institute) and React (ABES Engineering College, Ghaziabad).
- Member of Editorial Board — TEJAS International Journal (ISSN: 2456-0472).
- SIH 2018 Mentor (Software Edition); guided teams to national-level recognition.
