

DHANESHWAR KUMAR

Data Analyst | AI & ML Educator | Full-Stack Developer
+91 70177 77155 | dhannesh@gmail.com | Kanpur, Uttar Pradesh

PROFESSIONAL SUMMARY

Results-driven Data Analyst and AI/ML Educator with 11+ years of experience in computer science academia, IT infrastructure, and software development. Proficient in Python, SQL, data analysis, and data visualization. Demonstrated expertise in machine learning research (Neural Networks, Fuzzy Logic), big data concepts, and cloud computing. Adept at cleaning and validating datasets, building dashboards, and translating data insights into actionable recommendations. Passionate about bridging academic knowledge with industry-ready skills through training and mentoring.

CORE SKILLS

▸ SQL (MySQL, MS Access)	▸ Python (Pandas, NumPy, OpenCV)	▸ Data Analysis & Statistics
▸ Data Visualization	▸ Power BI / Tableau (Familiar)	▸ Microsoft Excel
▸ Machine Learning (Neural Networks)	▸ ETL Concepts / Big Data	▸ Cloud Computing (AWS)
▸ ReactJS / Angular / Bootstrap	▸ PHP / MEAN Stack / Flutter	▸ Android Development

PROFESSIONAL EXPERIENCE

Assistant Professor – CSE Department

Jan 2020 – Present

Pranveer Singh Institute of Technology, Kanpur

- Delivered lectures on Data Structures, Operating Systems, Python, and C; consistently achieved 100% pass results.
- Conducted hackathon training sessions and served as Subject Coordinator for Data Structures.
- Served as Timetable Coordinator and Core Team Member of the institutional Hackathon committee.
- Trained newly joined freshers on AI prompting concepts and generative AI workflows.

HOD – IT Infrastructure

Jan 2017 – Jan 2020

College of Engineering Roorkee (COER)

- Designed and maintained the college website using PHP MVC architecture and MySQL backend.
- Managed the College Internal ERP system and led development of the COER Android App (COER Updates).
- Built an online admission and fee payment portal integrating PayTm API for seamless transactions.
- Analyzed student and operational data to improve placement outcomes; conducted MEAN Stack Value Added Programs.
- Mentored student teams for Smart India Hackathon (SIH) 2019 (Chennai, Top 10 of 33 teams) and SIH 2020.

Website Administrator & Assistant Professor – IT Department

Jan 2013 – Jan 2017

College of Engineering Roorkee (COER)

- Maintained college website and managed AWS cloud infrastructure; served as SPOC for Infosys Campus Connect.
- Delivered training courses in Android, PHP, Python, and NodeJS to students and faculty.
- Served as SPOC for Spoken Tutorial Program, IIT Bombay; organized campus-level coding competitions.

Assistant Professor – CSE Department

Aug 2011 – Jan 2013

GRD IMT, Dehradun

- Taught C, Java, and .NET Technologies; organized summer training in PHP and Android development.

- Guided final-year students on placement preparation and industry-aligned capstone projects.

Senior Trainer

Feb 2011 – Aug 2011

APTECH, Rajpur Road, Dehradun

- Trained students in .NET, Advanced Java, PHP, and Android; guided website creation and project completion.

KEY PROJECTS

Tech Utility App (Smart India Hackathon 2019 – Top 10 Finalist)

- Developed an Android app integrating all electronics service centers; selected in SIH Grand Finale at Veltech Chennai, ranked in top 10 out of 33 teams.
- Stack: Android Studio, REST API (PHP), MySQL, Google Work Manager.

COER College Portal Ecosystem

- Built OutPass Manager App (Android + PHP REST API + MySQL) automating hostel outpass approval for wardens and students.
- Developed COER Website (PHP MVC, Bootstrap 4, MySQL) with admin panel, attendance, notices, and PayTm-integrated admission portal.
- Created Lecture Notifier and COER Updates apps for academic scheduling and institutional communication.

Freelance Web Projects

- Developed and deployed websites: RoboticsTrade.com, IJ-Tejas.com, SIJEST.com; provided web hosting solutions.

EDUCATION

Ph.D. in CSE (Pursuing)	Bennett University, Greater Noida	2020 – Present
M.Tech. in CSE	AKTU (Dr. APJ Abdul Kalam)	2017 63.26%
B.Tech. in CSE	Magadh University, Bihar	2008 74.3%

CERTIFICATIONS

▶ IBM Certified Big Data & Cloud Computing Trainer	▶ Google Certified Digital Unlocked Course
▶ Infosys InfyTQ – Foundation Course Certified	▶ Automation Anywhere Certified Developer
▶ Udemy: Python, Android, Java, HTML, JavaScript	▶ ICT Kanpur: Python, NodeJS, Bootstrap
▶ HackerRank: Java, Python, MySQL, Problem Solving (5★)	▶ Infosys Faculty Gold Partner (2x Consecutive)

RESEARCH & PUBLICATIONS

Research Areas: Machine Learning, Big Data & Cloud Computing, Blockchain in Healthcare, Android Memory Leakage Detection

- Scilab-based Color Detection using Image Processing and OpenCV — IEEE ICACCCN 2018
- Real-Time Handwriting Recognition using Neural Network & Image Processing — NATCOM 2017, IOT-SIU 2017
- Analysis of Congestion Control in Wired/Wireless Networks using Neural Network & Fuzzy Logic — Multiple IEEE/IJARCSEE publications (2013–2015)
- Cost-Effective Learning Method for Malicious Access Detection using ANN — AICTE National Seminar, 2012
- Indian Patent: IoT Integrated Fire Monitoring and Alerting System
- Austrian Patent: Blockchain Healthcare Information Exchange System

ACHIEVEMENTS & LEADERSHIP

- Awarded Faculty Motivational Award by COER — 3 times for achieving 100% student pass results.
- Infosys Faculty Gold Partner — awarded consecutively two times.
- Delivered Expert Lectures on Python Programming (GB Pant Institute) and React (ABES Engineering College, Ghaziabad).
- Member of Editorial Board — TEJAS International Journal (ISSN: 2456-0472).
- SIH 2018 Mentor (Software Edition); guided teams to national-level recognition.
